Canada Walk 4 Jesus Edmonton 2025 – Event Report and Appeal for Donation

On behalf of our board of directors, I would like to appeal for charity-to-charity or personal donation to support the 9th Annual Walk 4 Jesus Edmonton, which was held on Saturday June 21, 2025. This is a major evangelistic event involving participation of Christians from different churches and diverse backgrounds who come together in a parade to demonstrate love and unity while praising, worshipping and proclaiming Jesus Christ as Lord and Savior for a world in desperate need of Him.

While some people surrendered to the Lordship of Jesus at the event as in past events, an immediate impact can be seen as hundreds of participants jointly proclaim the gospel to tens of thousands of people living around the route for the parade in the north end of the city this year in and around 118 Avenue. The participants were given a brief orientation to make evangelism a lifestyle. In the past, we would print 15,000 copies of our "The Best Gift" gospel business cards. This time, 30,000 copies of the business cards were printed. We print this much because Jesus Christ Himself endorsed the distribution of the gospel business cards. We handed 50 copies to each of the participants as an initial tool for evangelism for them to hand out to unbelievers within the next 7 days. But to our pleasant surprise, the participants who were lit on fire for the gospel took way more and about 9,800 of the 30,000 gospel cards are have been to saturate the city with the gospel. Generally, a three-step strategic purpose is achieved through the event: (1) believers are encouraged and emboldened to publicly identify with Jesus in a culture of increasing intimidation and hostility towards the faith in Jesus; (2) believers are motivated and mobilized to see summer events in Edmonton as gospel harvest fields and deploy accordingly; (3) believers are encouraged and oriented to make sharing Jesus with others a lifestyle.

However, as before and as can be expected, this is a big-budget event bringing our total cost to date to **\$9,915.83**. A similar project slated for July 12, that promotes unity in the advancement of God's kingdom is the 3rd Annual Mass Public Baptism and Church Fest. This also comes with some costs as well as other recurring ministry expenses. RUWEMI Ministries makes the required payments using a personal credit card. To cover these costs, we will appreciate a charity-to-charity donation from your church and tax receipts will be issued for donations from individuals who provide their full name, address with postal code, email address and phone number. The breakdown of the costs and ways to make donations are listed below and on our website, www.ruwemi.org. By the way, other costs like travel costs, without receipts are not included.

These events bring the Body of Christ outside of the church walls, promote brotherly love among true disciples of Jesus in a way that is visible to the unbelievers in accordance with the Lord's expectation (John 13). They promote the unity of the brethren from diverse backgrounds, again in accordance with the Lord's expectation for unity (John 17). And more importantly, they promote the expansion of God's Kingdom through evangelism. Therefore, I believe that a church, ministry, business or individual who supports the events through donations are also positioning themselves for what I call "commanded blessing" as Scripture reveals in Psalm 33. *"Now may He who supplies seed to the sower, and bread for food, supply and multiply the seed you have sown and increase the fruits of your righteousness,"* (2 Corinthians 9:10).

Thank you very much.
